

MEDIA ALERT

DATE: February 9, 2009

FOR RELEASE: Immediately

HEAD: Johnson College to Host Open House for Prospective Students

Johnson College will host an Open House for prospective students and their families on Saturday, March 7th beginning at 9:00 am on the College's campus at 3427 North Main Avenue, Scranton. Registration for the event can be done on the Johnson College website, www.johnson.edu, or by calling Admissions at (570)702-8900.

Open House activities will include a welcome, tours of campus facilities and classrooms, information on admissions requirements, and opportunities to meet faculty, students and alumni. Department chairs will be available to review the specifics of each technology program and course outlines. Information on financial aid, career options and salary potential will also be provided. Guest speaker for Open House will be Matt Michalek from L.R. Costanzo. Refreshments will be available. Application fees will be waived for those who apply at the Open House. Applications for the 2009 Fall semester are still being accepted and individuals who are interested are encouraged to attend.

The Open House is one of several opportunities available to prospective students. The College expects to host a networking mixer in the upcoming months.

Students who are not able to attend the Open House may arrange for a private tour and interview; questions about any of the Admissions activities may be directed to the Admissions Department.

Founded in 1912, Johnson College is a two-year technical college offering associate degrees in 13 program areas including Architectural Drafting & Design, Automotive, Biomedical Equipment, Carpentry & Cabinetmaking, Computer Information, Diesel Truck, Distribution & Supply Logistics, Electrical Construction & Maintenance, Electronics, Heating, Ventilation & Air Conditioning, Precision Machining, Radiologic, and Veterinary Technologies.

Additional information about the technical programs, as well as directions to the College, may be obtained by visiting www.johnson.edu.
